Applying Artificial Intelligence to analyse Retinal Degeneration
<i>Assignment Title</i>

In preparing this assessment task I have followed the [Student Code of Conduct](#). I certify that I have read and understand the University requirements in respect of student academic misconduct outlined in the [Student Code of Conduct](#) and the [Student Misconduct Procedures](#), and am aware of any potential plagiarism penalties which may apply. I declare that this assessment item is my own work except where acknowledged, and has not been submitted for academic credit previously in whole or in part. If this is part of a group submission, it represents my equitable contribution and is my own work, except where appropriately acknowledged.

I acknowledge that the assessor of this item may, for assessment purposes:

- Provide a copy to another staff member of the University.
- Communicate a copy of this assessment item to a plagiarism checking service (such as [Turnitin](#)) which may then retain a copy of the assessment item on its database for the purpose of future plagiarism checking.

I have retained a copy of this, my assignment, which I can provide if necessary. By signing this declaration I am agreeing to the statements and conditions above.
